Knights of Columbus “BENEFITS NEWS”

May is Disability Insurance Awareness Month.

A Founding Notion: Protecting the Breadwinner’s Income

While jobs may be safer in 2017, accidents, injuries, and illnesses that can impact your ability to work still happen. Most, in fact, do not happen on the jobsite or place of employment. Did you know that a 2011 study revealed that more than 95 percent of the long-term disability claims on file were not work related?

The Knights have always sought to protect members’ families from the “loss” of a breadwinner. I’m sure you know all about Father McGivney’s vision for our first, insurance program. But you may not know that Father McGivney also wanted to find a way to help members who couldn’t work because of an illness. After all, the “loss” of the breadwinner does not have to mean that person’s death; it can also mean the loss of the breadwinner’s income.

Consider that loss for a moment. How would your family fare if a source of income suddenly stopped? Could a dual-income family manage on one income stream? What about young families with a working father and a mother who cares for the children? What if his income halted due to an accident or illness?

I’ve heard some people say they have coverage at work, but too many aren’t sure what this coverage entails, how much income it would provide or for how long. Having this protection counts for something, certainly, but it isn’t “yours”; it’s provided by the company for which you work at their discretion. It could be eliminated tomorrow.

That’s where a personally-owned disability income insurance product, like Income Armor, comes into play. It can offer valuable income replacement in the event of an injury or illness.. If you have a job, you must know about this coverage.

I’d like to meet with you in your home, at your convenience. I’ll work with you to make sure your family is protected. As a brother Knight you can trust, I’ll take the stress and worry out of the buying decision. As a professional agent and a brother Knight, I have no greater responsibility.
